Hey neighbour, let's make LeBreton St beautiful together!

WHAT

Painted Perches is a community project to turn LeBreton into an open-air walking gallery of hand-painted birdhouses. Creating new experiences and colours for our neighbourhood.

Neighbours are already hanging birdhouses on their fences, trees, and yards. I'd love for you to join in on the fun.

HOW

Paint a birdhouse at one of our free events.

Hang it up on your fence, house, or tree.

Show it off, tell your friends and family

WHEN

There will be multiple painting events.

Check our website for upcoming dates. Bring your friends, bring your family - kids and grown-ups alike are invited. You won't want to miss it.

SHARE IT

Give your birdhouse a perch on the website. Pin it's location on the online map so people can learn more about your birdhouse and where to find it.

Hi, I'm Jesse Bursik. I live on LeBreton. You've probably seen me walking my big black dog. You're my neighbour, and I'd love for you to be part of this.
